Think elite sport – high in the treetops!

The WA State Tree Climbing Championships bring together Western Australia's best climbers for two action-packed days.

- 300–500 visitors each year
- 75+ climbers and volunteers
- Wide promotion across WA and nationally
- 2,000+ industry reach across arboriculture and local government

And the stakes are high. The top climbers qualify for the Nationals – coming to Perth in 2027 – with the very best progressing to the World Championships.
